### OFFICE OF THE SECRETARY TO THE PRESIDENT

New Delhi, the 28th May 1951

No. 21-Pres./51.—The President has been pleased to award the Police Medal for gallantry to the under-mentioned officer of the Patiala and East Punjab States Union Police:—

*Name of the officer and rank.*—Head Constable Hardyal Singh, No. 787, Patiala and East Punjab States Union Police.

*Statement of services for which the decoration has been awarded.*—On the evening of 26th May 1950, Head Constable Hardyal Singh who was incharge of the police post at Ghuram received information that certain suspicious characters had been noticed in the jungle about three miles away in the area of village Mahmoodpura. He, along with the only three constables available, left immediately for the hiding place of the suspects and collected five licences en-route. The Head Constable and his men advanced unnoticed and took the suspects by surprise. They turned out

to be a gang of seven dacoits headed by a notorious dacoit named Billu, who had been responsible for a large number of dacoities, robberies and murders in Patiala and East Punjab States Union and Punjab and for whose arrest large rewards had been announced by the Governments of those States. The attack headed by Head Constable Hardyal Singh was so sudden that the gang of dacoits were unable to put up effective resistance. They fired in confusion, but were unable to injure any member of the police party. Having been completely overwhelmed and demoralised, they tried to escape but one of them was wounded and arrested by the police. The others, however, escaped into the jungle, where the police could not pursue them. At the hiding place, the police were able to recover two .303 Service rifles, one .303 Enfield rifle, two D.B.B.L. guns, one automatic .32 bore pistol, 3 mark 36 hand grenades and 179 rounds of ammunition. In addition, silver and cash robbed by the gang in their last dacoity at village Bamtiwala in police station Sadar Patiala was recovered, and also a few articles of police uniform which the gang presumably used for purposes of disguise.

In this encounter Head Constable Hardyal Singh displayed courage, leadership and a high sense of duty.

2. This award is made for gallantry under rule 4(i) of the rules governing the award of the Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule No. 5.

B. K. GOKHALE, Secy.

## RESOLUTION

New Delhi, the 22nd May 1951

**No. RTA-428(5).**—The Government of India have had under consideration for sometime past a recommendation of the All-India Council for Technical Education to the effect that a Central Board be set up for conducting examinations and awarding certificates of proficiency to craftsmen in engineering and building trades on a national basis. The Council's recommendation is based on an appreciation of the fact that while facilities for training and apprenticeship of craftsmen are available in a number of technical institutions and industrial establishments in the country, there is neither any uniformity of standard nor any uniform system of certification. In many cases, the examinations are not conducted satisfactorily and the certificates issued do not command all-India recognition.

2 The Government of India consider that both in the interests of industry and of workers it would be desirable to set up a Central Board for the purpose of prescribing standards, conducting examinations and awarding certificates of proficiency at least in the engineering and building trades on an all-India basis. The conduct of examinations by a Central Board would enhance the value and standing of the certificates in so far as industry is concerned and also ensure that the holders of the certificates possess a minimum recognised degree of skill. In addition uniformity of standard will facilitate the mobility of craftsmen and their employment. The Government of India have, therefore, accepted the recommendation of the All-India Council for Technical Education and decided to set up a Committee to prepare a scheme for the establishment of an All-India Trades Certification Board.

3. The terms of reference of the Committee will be as follows:—

- (i) To prepare and submit to Government a detailed scheme for the establishment of an All-India Trades Certification Board for conducting examinations and awarding certificates to craftsmen in engineering and building trades on a national basis; and
- (ii) to make recommendations to Government as to what interim arrangements should be made for this purpose pending the establishment of the Board.

4. The Committee will be composed of as under:—

- (i) Chairman who will be a Member of Parliament;
- (ii) Three representatives of the Government of India from the Ministries of Education, Commerce and Industry, and Labour;
- (iii) One representative each of the Governments of Bombay, Madras, U.P., West Bengal and Mysore;
- (iv) One representative of the Institution of Engineers (India);
- (v) Two representatives each of the organisations of employers and workers.

ORDERED that the above Resolution be published in the Gazette of India for general information.

N. DAS, Joint Secy.
